## 1993-94 ALL SPORTS GUIDE

**BE YOUNG

# *Letter from the President*

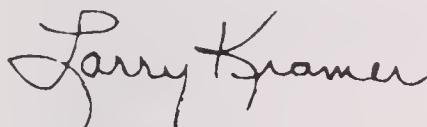

It takes a lot of people to make up a successful athletic program. Take a look at the cover of this guide, and you'll see a few of those people. There are student-athletes, coaches, trainers, volunteers, administrators and support staff, photographers, publicity folks, alumni, recruiters, faculty, and the list goes on. Key to any program's success however, are people such as you: the fans and supporters of the Avila College Eagles.

We are proud to have you on our campus and proud to tell you that your support is well justified. Avila's future continues to glow. Thanks to the hard work of the faculty, staff, students, alumni, and friends of Avila College, as well as various corporations and foundations, Avila/2000, the Campaign for Avila College, has reached and exceeded its \$6 million goal. That success will help ensure our students' success in the classroom, on the field or court of competition, and in their personal lives.

My experience in meeting the many fans of the Avila College Eagles has shown that you are excited not only by the action of the Eagles in volleyball, soccer, baseball, softball, and basketball, but that you are also excited by the values and mission of Avila College itself.

Your continued support will help perpetuate those values and that mission.

Go Eagles!

Larry Kramer, Ed.D.  
President

**A**vila College is a value-based community of learning, Catholic, coeducational and sponsored by the Sisters of St. Joseph of Carondelet. In a climate respecting the worth and dignity of each individual, the college provides liberal arts, professional, undergraduate and graduate education for students' responsible lifelong contributions to the contemporary world

From its modest beginnings as the College of St. Teresa, Avila has become a flourishing comprehensive college situated on 50 rolling acres in suburban south Kansas City, Mo. Nearly 40 undergraduate majors and three graduate programs are offered through day, evening, and weekend courses.

The Avila community values excellence in teaching and learning; the Catholic identity of the college; the sponsorship and contribution of the Sisters of St. Joseph; the worth, dignity and potential of each human being; diversity and its expression; commitment to the continual growth of the whole person; interaction with and service to others.

Avila's unique Learning Outcomes program focuses on Knowledge; Thinking; Communication; and Personal, Spiritual, and Social Development. It strives to make sure every student's point of view grows with exposure to facts and ideas, that it is intellectually sound, that it can be clearly expressed, and that it is driven by the student's values.

Avila celebrated its 75th anniversary in 1991 and completed a \$6 million capital campaign in 1993.

## Welcome to the excitement of Avila College athletics!

Student-athletes at Avila College receive an opportunity to attain a quality education and participate in a competitive athletic experience.

Avila's first teams, women's basketball and volleyball, began competing in the 1960s. During the 1970s two more sports, men's soccer and basketball, were added. The 1980s brought intercollegiate teams in softball and baseball. Women's soccer is scheduled to begin competition in the fall of 1994.

Intercollegiate sports programs are an integral part of the educational offerings of the college. We believe in the opportunities for growth that participation on the field or court provides our students.

We also value the spirit of community which is built through our sports programs and the fellowship and sharing for those of us in the bleachers and on the sidelines.

Avila is proud to be a member of the National Association of Intercollegiate Athletics (NAIA), an organization dedicated to wholesome competitive sports in small colleges around the country. We value the contribution it makes to the fulfillment of our student-athletes.

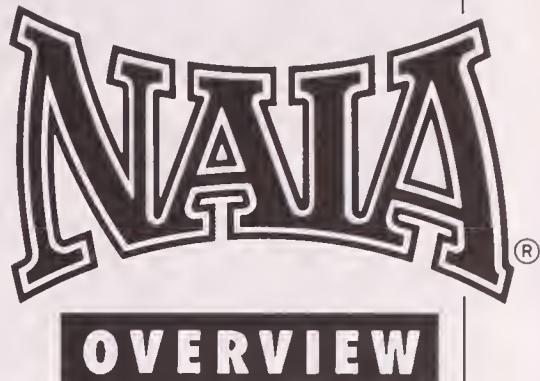

Our program benefits from the support and contributions of our friends. Please patronize our advertisers and consider membership in the Eagle Club.

Join the Avila College family in its celebration of life through shared experiences such as these competitions.

# The NAIA – Providing Balanced Athletics Programs for More Than 65,000 Student-Athletes

Throughout its history, the National Association of Intercollegiate Athletics (NAIA) has provided strong leadership for all aspects of intercollegiate sports. Since its introduction of intercollegiate championship basketball in 1937, the NAIA has maintained the highest standards while administering first-rate athletics programs.

Time and time again, the NAIA has stepped forward to address the important issues of the day — be it racial integration in the '40s and '50s or establishing the first women's championship program in 1980. The NAIA has not been afraid to enact changes while others have watched and waited.

In the past decade, presidents of the NAIA colleges and universities have assumed a position of responsible leadership. The NAIA's Council of Presidents, the organization's primary governing body, is comprised of 32 college and university presidents from all regions of the United States.

With its major emphasis on educational development, it was natural for the NAIA to further strengthen academic eligibility requirements in the mid-'80s. All NAIA participating student-athletes must maintain a certain grade-point-average (GPA) while accumulating credit hours for a declared academic degree. Unlike other associations, NAIA student-athlete academic eligibility is monitored on a semester-by-semester basis.

The All-America Scholar-Athlete program, a long-standing NAIA tradition, recognizes junior and senior student-athletes with a minimum cumulative GPA of 3.5 (on a 4.0 scale). This past year, over 700 NAIA student-athletes were so honored, representing 225 member institutions.

Since 1937, the NAIA has administered athletics programs and championships in proper balance with the overall collegiate educational experience. Serving higher education in this manner is a responsibility the NAIA does not take lightly. It is a relationship built on confidence and trust — a relationship strengthened year after year. The future of 65,000 young people is too important to handle any other way.

## Coaching Staff

**Jodi Smith** — begins her third year as head volleyball coach. Coach Smith is a graduate of Northwest Missouri State University where she earned Honorable Mention Scholastic All-American recognition as a member of the volleyball team.

Smith and her husband, Allen, welcomed a new member to their family during the off-season with the birth of their first child, Kalyn.

**Jason Smith**—no relation to Jodi, has joined the volleyball staff as an assistant coach. Smith earned undergraduate degrees in business administration and economics from Graceland College. He was a member of the volleyball team at Graceland, where he earned recognition as All-Region and as most valuable player his senior year. Additionally, he was elected team captain his senior year.

Smith's prior coaching experience includes serving as an assistant coach at Graceland for one year.

## Season Outlook

The volleyball team intends to improve on last year's record of 11 wins and 31 losses. NAIA All-America Scholar-Athlete Amy Meiners leads six returning letter winners (Brandi Antoniello, Marlo Boots, Sarah Lathrom, Allison Stewart, and Stacy Street) who will be expected to provide experience and leadership.

This year's schedule includes the Avila College Invitational Tournament on October 22 and 23. Some of the best small college volleyball teams in the Midwest will be in Kansas City for the event.

# Soccer

## Coaching Staff

**Huw Williams**—This will be Williams' fourth year as Avila's head soccer coach. He is known for his ability to develop and evaluate soccer talent. In addition to his coaching duties at Avila, Williams owns and operates his own soccer camp business and is involved in coaching and administering soccer programs for youth in the Kansas City area.

Williams earned an undergraduate degree in physical education from the University of Wales. He played professional soccer in Wales and was a member of the Kansas City Comets Developmental Squad in 1988.

Williams and his wife, Nina, have two children: Nia Marie (3) and Gil (2).

**Andy Barney**—joins the Avila soccer team as an assistant coach this year. Barney played for the All-British Collegiate Team prior to moving to Kansas City, where he has been coaching soccer for more than nine years. Currently he directs the Legends Soccer Club. He has earned a United States Soccer Federation "A" coaching license and is certified to coach soccer by the Football Association in England. Barney and his wife, Nancy, have three children: Brittany (5), Ashley (2) and Bailey, born this year.

**John Adcox**—is a first-year assistant coach. In addition to his coaching duties at Avila, Adcox is the head soccer coach at Turner HS in Kansas City, Kan. His son, Chad (19), is a sophomore on this year's team. John and his wife, Nancy, also have a daughter, Kelly (16).

## Season Outlook

The Avila College soccer program has developed a reputation as one of the top teams in NAIA District 16. The soccer team earned NAIA District 16 Championships in 1982 and 1987. During the past ten years the program has produced 11 student-athletes who attained NAIA All-America recognition and one NAIA All-America Scholar-Athlete.

Twelve letter winners return from the 1992 team, which posted a record of 11-9-1 and was eliminated in the first round of the NAIA District 16 playoff by John Brown University. This year's team will have a lot of new faces; four seniors (Jeff Doherty, Kester Marsh, G. T. McDonald, and Kyle Williams) and one junior (Phil Pileggi) will be joined by a strong group of underclassmen. Additionally, a number of talented community college transfers and freshmen will receive an opportunity to earn substantial playing time this fall.

# Women's Soccer

## Coaching Staff

**Erick Chaverri**—has been hired as Avila's first women's soccer coach. Chaverri brings a wealth of soccer coaching experience with him. He

has served as head soccer coach at Northeast Missouri State University, Hyman Brand Hebrew Academy, and Saint Teresa's Academy. He also has coaching experience in Costa Rica.

Chaverri will continue to maintain his coaching duties at Saint Teresa's Academy, where he also teaches Spanish.

Chaverri earned an undergraduate degree in health and physical education from Northeast Missouri State University and a graduate degree in physical education from the University of Costa Rica. He and his wife, Patricia, have one child: Maria Jose (3).

## Season Outlook

The women's soccer program will begin in the fall of 1994. Coach Chaverri will be recruiting approximately 16 student-athletes to be members of Avila's first women's soccer team.

As Avila's other sports do, the women's soccer team will compete as an independent member of the NAIA.

# Women's Basketball

## Coaching Staff

**Jim McMurray**—joined Avila College as head women's basketball coach during the off-season. McMurray has been coaching women's basketball in the Kansas City area since 1976. He was the head coach at Saint Teresa's Academy from 1981 to 1990 and has served as an assistant coach at Shawnee Mission South HS (1980-81), William Jewell College (1990-92), and Avila College (1992-93). At Saint Teresa's Academy, McMurray led the team to six district championships and three appearances in the Missouri State 4-A tournament while compiling an overall record of 238 wins and 38 losses. In 1985 he was honored by the Missouri State High School Coaches Association as Coach of the Year in Missouri 4-A.

In addition to his duties at Avila, McMurray serves the North Kansas City School District as a teacher in the Behavioral Disorders Program

McMurray earned a graduate degree in behavioral disorders from the University of Kansas and an undergraduate degree in physical education and health from William Jewell College. While at William Jewell he played basketball starting at point guard for three years and earning All-Heart of America Conference and All-NAIA District 16 honors.

McMurray and his wife, Solonnie, have two sons: Arron (9) and James Michael (4).

# Men's Basketball

## Coaching Staff

**Fred Turner**—begins his third campaign as Avila's head men's basketball coach. During his 25 years of basketball coaching experience, Turner has developed winning teams and talented student-athletes at three different coaching levels.

As a high school coach, Turner built two programs. Bishop O'Hara HS had never had a winning season before he led them to a top-ten state ranking four years in a row and an appearance in the Missouri State 3-A Tournament. Lee's Summit HS had only two winning seasons in eleven years before Turner led them to top-ten state finishes two years in a row, won one conference championship and advanced as far as the Missouri State Quarter-Finals.

Turner rebuilt Fort Scott Community College from a basketball doormat (only two winning seasons in 16 years) into a team that averaged 19 wins in his last three years.

Turner rejoined the Avila staff in 1991 (he served as an assistant coach at Avila from 1984 to 1986 while the team set records for most wins in a season each year—19 and 20).

Turner was selected as NAIA District 16 Coach of the Year for the 1991-92 season. His teams are known for aggressive defense and intensity.

When not on the court developing basketball talent, Turner serves the college as Assistant Director of Athletics. He received his undergraduate degree in history from the University of Missouri-Kansas City and earned a graduate degree in Athletic Training from Central Missouri State University. He and his wife, Pat, have two children: Roman (14) and Drew (10).

**Don Earnest**—is entering his 22nd year as a basketball coach. He has a thorough knowledge of all aspects of his profession: teaching, organization, and motivation. In addition to his coaching duties at Avila, Earnest is Director of Athletics for the Turner High School District in Kansas City, Kansas.

Earnest was a member of the staff that led Avila to 39 wins in two seasons and back-to-back District 16 play-off berths during the 1984-85 and 1986-87 seasons.

Earnest and his wife, Jeanne, have three sons: Josh (18), Nathan (16), and Nick (14).

**Mike Gailey**—has been part of the Kansas City basketball scene for more than 20 years. This will be his third year as an assistant to Turner. In addition to his responsibilities for developing post play and coaching the junior varsity, Gailey is instrumental in recruiting efforts. He is familiar with high school programs on both sides of the state line.

**Larry Park**—has more than ten years of college coaching experience at Rockhurst College, Ottawa University, and the University of Missouri-Kansas City. This will be his third season at Avila. Park assists with perimeter play, recruiting, and the junior varsity program.

Park is a graduate of the University of Missouri-Kansas City, where he played point guard.

**Phil Morgan**—comes to Avilia from Westport HS where he coached the Tigers from 1990-1993. During his tenure Phil was named 1992 Coach of the Year. His teams were always known for tenacious defense and hustle.

Phil played basketball at Morgan State University in Baltimore, MD. He and his wife Effie have three children: Jamon (18), Philip (7) and Brittany (4)

## Season Outlook

Four key seniors graduated last May from a team that posted a 16 and 16 record, losing to William Jewell in the District 16 semifinals (73-81), ranked first in NAIA Division II in team rebound percentage (own, 821; opponent, 508; 0.618 percent), second in three point field goal percentage (.443), and second in scoring defense (62.53 ppg). However, nine letter winners return, including seniors Brandon Ritchey and Rod Sterling. Additionally, three sophomores who made major contributions last year return: Craig Johnston, Eugene Troyer, and Cameron Woods.

## Coaching Staff

**David Melton**—enters his third season as Avila's head softball coach.

Previously, he served three seasons as an assistant coach. Melton has been coaching the softball team since the team first took the field in 1989.

Under Melton's direction, the softball team has advanced to the District 16 playoff each of Melton's three seasons. In just two seasons as head coach, Melton has coached six players who have received NAIA All-District 16 recognition and one NAIA All-America Scholar-Athlete.

Melton is an admission counselor for the college in addition to his duties with the softball team. He earned his undergraduate degree from Mount Vernon Nazarene College in Ohio.

**Julie Boardman**—enters her second year as an assistant coach. Boardman is an instructor in communication at Avila. She completed her undergraduate degree at Iowa State University where she was a member of the women's basketball team. Boardman earned a graduate degree from the University of Iowa.

## Season Outlook

Ten letter winners return from a team that made the final four in District 16. All this was accomplished after one of the team's top pitchers, Shannon Walter, missed the entire season because of complications resulting from surgery on her elbow. Talented transfer Vickie Monson (Kirkwood Community College) will be expected to strengthen the pitching staff.

## Coaching Staff

**Jim Huber**—enters his second year as head baseball coach. Huber led his first team to within one out of the District 16 Championship. Lindenwood College ganged up on the Eagles and came back to win the game 10-8 and force another game which they also won 6-4.

Huber served as the infield coach for one year before being promoted to head coach. He has been involved in baseball for more than 21 years.

In addition to Jim Huber, Jr. (22), who is a pitcher on this year's team, Huber and his wife, Mary Ann, have two other children: Tracy (26) & Kelly (24)

**Dave Klein**—has been involved with Avila's baseball program since its inception in 1989. During this period he has served as both an assistant and head coach. Klein has additional coaching experience at Kansas City Kansas Community College where he twice led the team to the National Junior College Athletic Association (NJCAA) Tournament.

**George Kalaiwaa**—Coach "K" returns for his third season. He will work with Avila's pitchers again this season and assist with hitting instruction. Kalaiwaa also has served as an assistant coach at the University of Hawaii.

## Season Outlook

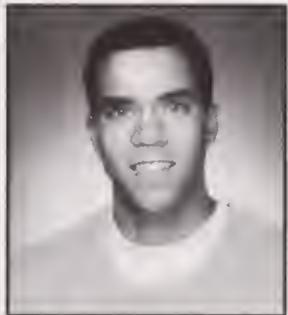

Each year since the program began in 1989 the team has improved. This season should be no different. By mid-April the Eagles will work their way into position to contend for a berth in post-season play.

The team will be led by returning First Team All-District 16 performers senior pitcher Joe Simone and junior centerfielder Gary Haarmann. Haarmann was third in the nation in stolen bases last season. The pitching staff will be strengthened by senior Jim Huber, Jr. and junior Scott Duffen who is returning to Avila after a one year absence. A number of other experienced players return including junior first-baseman Shane Newbrough, junior catcher and outfielder Travis Holt, and senior catcher and designated hitter Jered Steen.

voted ★★★★ by  
The Squire for  
BEST ORIENTAL 1991

## Exquisite Chinese Cuisine

Quality control is of upmost importance to owner Bambi Shen; who boasts the "Business of the Year" award from her restaurant in Kansas City, KS (1988) and received the Squire's "best Oriental" award after being in business less than a year and won again the following year for 1992. That means you can expect consistent and superior quality every time at Golden Palace, well worth a try!

# The Eagle Club

The Avila College Eagle Club is the fund-raising and support organization for Avila's athletic programs. The Eagle Club is associated with athletics, but its primary function is to support the educational mission of Avila College.

Funds raised by the Eagle Club are used to support projects that benefit the various intercollegiate athletic programs, student-athletes, and Avila College.

The Eagle Club is organized within the framework of Avila College and satisfies NAIA and college requirements. The club has its own officers and board of directors who meet on a regular basis throughout the year.
